That day in the morning she went to high school and when she was with her friends Saki, Shannon, Kuroda, Yuki and Rin, she saw an strange boy under the stairs, he was painting on his "blog", he was beginig to draw a face. Mina said to Shanon:

-Who is he?-said it smiling.

-Right!! he's very handsome.I think he's in love because is writing above the picture "aiShiteru domo"..maybe the picture is about some girl.-said Saki.

-Better!! If you don't love him i have more possibilities with Khenzö!!-said Shannon.

-ok!stop speaking please!!Come inside the english class, girls!!-said Mina with a ironical smile.

The next day Mina found one more blue rose with a note saying: "I love see your smile all the time", she was very happy with that.A lot of days she was receiving these presents during a month.

The 14th February Mina received a bouquet of blue roses with a blue letter cover and inside a pink card board with a text saying:

"I'm prisioner of your smiles,and slave of your gazes. Envious the moon look at you, envious because I love you with madness, because is impossible take away my gaze from you"

Behind the pink card board, was a writing "Ming-sho-jäng" who was the name of a park and above this was a date "14th at 22.00 of the night." and at the end of it a phrase who said: "Come alone!, only you. Thanx!!"

She went at Kuroda's home very fast, she was very excited with all the things what happened in her life. She was speaking with Kuroda when Shannon arrived too at Kuroda's home, she was very happy but when Mina showed to Shannon the a bouquet of blue roses with a blue letter cover and inside a pink card-board, she change the smile for a furious face. Three minutes later she could saw an human form in the distence, and early she could saw the identity of the person. He was Kenzhö, he had a beautiful curly golden hair, and a seducer smile. He said:

-Hi beatiful!

the only girl who likes it is Shannon and she is beautiful, clever and she likes all of these things and can't be your girlfriend when my friend isn't well and when she is in love with you..Do you understand me?-said it with a tear falling in her face.

-What? Is Shannon more important than me? you're crazy! and I don't like that girl..is horrible!-

-Yes, I prefer my friend's love, you are not the only thing in my life. Bye Kenzhö and good luck. I hope you can undo your self-centering, because the friends are essentials you can pass all your life alone..Don't think only in your things..think in search friends and change your mind, be friendly not self-centerer.

-Bahhg! You're not ok, girl!!-said Kenzhö very furious.

He left out the corridor.

-Yes. amm..Thanks Kuroda, thanks for your help.-said Mina.

Mina went down the stairs and She explained to Shannon all the story.Shannon stopped to cry and said:

-I don't mind! he's an idiot! and, sorry! I was very egoistic, you're my friend and...-She couldn't finish her phrase while Mina spoke.

-Don't mind! we are friends in the only important here.

Finally they were friends forever and Mina demonstrated what love is more important, the friends' love.

And Kenzhö changed his mind and became to be a good person and very friendly.
