Hi Ismael

How are the things in burclada? Sorry for not replying before, in my house the internet is too slow.

I read your message and you ask if I like music and I love it. I play the guitar, I'm not very good but I <sup>try</sup> ~~play~~ it. I like music in general but the best ~~x~~ <sup>types</sup> of music are heavy metal and rock. I don't like classical music <sup>and</sup> pop, but some songs are cool, now I'm listening to Marea a ~~Spanish~~ <sup>group</sup> of heavy metal.

I also rescue animals that people give me, I have lots of rabbits, frogs, hamsters, birds, tortises, I love doing this and you?
