Unit 2 = "An e-mail"

*Hi Silvia,

I can't believe that you're coming next week.
I can't wait to see you!

You asked about my parents in your previous email. They're strict about some things.

I have to tidy my room and clear the table.

I also have to do the washing-up.

Guests don't have to do any housework, but you can help if you want!

Apart from these rules, I have to get home before nine when I go out on schooldays.

And I mustn't touch my dad's (chromes)/stamps collection. He goes mad if you go near it!

That's all for now. See you soon!
