

WRITING REVISION

Presentation = Introduction

Well, I'm Rosario, and I'm 17 and I'm from Osuna. I love ~~Art~~ and all ~~relationated~~ with it, I like music too. I'm really good at painting, my friends usually say it. I don't like eggs ~~and~~ ^{or} fish too much, I hate football, because when I was little a ~~ball of~~ football broke my glasses.

Normally when I'm at home, I do my homework, and I prepare my bag for the next day, then I draw something on paper, normally I draw cartoons and real people, ~~objets~~, plants... then, I ~~tell~~ ^{ask} to my father if I can ~~caugh~~ ^{use} the computer.

My best experience was 2 years ago when I started to be serious about painting, I felt that I can draw anything. Another experience I always have is I can tell the future, and I have people that I say to them ~~in~~ ^{their} future, they feel a bit scared, because if I say something bad... they know that it's going to happen. — Is it true?
